About Me

I am currently pursuing a **Bachelor of Computer Science (Cyber Security) with Honours** at Universiti Teknikal Malaysia Melaka (UTeM). Passionate about cybersecurity, digital forensics, and ethical hacking, I have gained practical experience through academic projects and CTF competitions. I possess strong problem-solving, teamwork, and communication skills, complemented by experience in graphic design and content creation. I am eager to apply my knowledge and continue developing my skills within the cybersecurity industry.
